### MLK, JR.

There will be school on Monday, January 16.

### YEARBOOKS

Please watch for the yearbook order forms. The cost this year is \$13. Order in advance as they are on a first-come, first-serve basis and only a minimum number will be ordered. They will be distributed in May.

### NEED A DESK?

We are in the process of liquidating school materials, which will be replaced, with new items when we move into our new building. If you could use desks (either student or teacher size), chairs, computer monitors, overhead projectors, or office chairs, just let us know. They are almost free!!

### COMMUNITY MEETING!

Nunn Construction will be hosting a Community Meeting on Wednesday, January 18, at 4:30 p.m. Everyone in the school and outlying community is invited to attend.

There will be a brief rundown of where we are in the construction process and some photos. They will also talk about the role of the local contractors and laborers in the process.

Lion's Pride will be putting together a chili dinner for everyone who attends. Donations will be accepted to help with the cost of the food.

### TUTORING

On January 23rd, we will begin an after school tutoring program targeting students in grades three through six. Participation will be based on current STAR test scores measuring reading and math levels. Although there will be no cost to our families for the tutoring, we are asking for a \$5.00 contribution to help provide snacks. On Mondays and Thursdays, identified students will report to the gym at 4:00 for a snack before going to their tutoring session at 4:15. Tutoring will last until 5:15. Parents will be notified next Wednesday, January 18 if their child(ren) has been identified to participate in this program.

A "Snack Supervisor" is needed to help out. If you are interested please contact the front office.

### WINTER TIME

It is that time of year when kids like to get out in the snow. Please remember no one should play in the snow without snow pants, mittens, and boots. Students will go outside for recess if the temperature is at least 20°. We will stay inside if it is raining or snowing heavily.

The health and safety of our students is our *Number One* priority. Children need the sunshine, exercise, and socialization that recess offers, so that they can focus and do their best in school.

Please consider going through your closets and donating any unused hats, mittens, boots, and coats for children to wear.

If you have any questions or concerns about our recess policy, please call Ms. Lewis.

### VOLLEYBALL

Registration is now open for Volleyball through Woodland Park Parks and Recreation. The cost is \$43 per child and the season runs from February through April for grades 3rd -6th.

### CANDY CANE GIFT SHOPPE

The students seemed to enjoy shopping for their parents, grandparents and siblings. This was not a fundraiser, just something that is fun for the kids. We hope you liked your gifts!
